

SRAVANI TORLIKONDA

B.Tech Electronics and Communication Engineering Student

- sravani11t8@gmail.com www.linkedin.com/in/sravani-torlikonda, Ph: 7093637271

Summary

I am a 2nd-year B.Tech Electronics and Communication Engineering student at IIITDM Kancheepuram with a strong interest in core electronics and VLSI. I have foundational knowledge in analog and digital electronics and I am eager to gain practical experience through projects and internships.

Education

Indian Institute of Information Technology Design & Manufacturing Kancheepuram Chennai, India
Electronics and Communication Engineering | **CGPA:** 8.29 / 10 (Upto this Sem) 08/2024 - Present

Experience

Indian Institute of Information Technology Design & Manufacturing Kancheepuram Chennai
Co-Ordinator 08/2025 - Present
System Coding Club
• Coordinated technical events.

Skills

Programming Languages : C-Language (Intermediate), Python (Basics), Verilog (Basics)

Tools: Auto Cad, LabView, Xilinx Vivado, Matlab

Projects

- ❖ Smart Plant Care and Monitoring system 01/2026 - Present
 - Developing a smart plant monitoring system with automatic watering and live monitoring using the Blynk app
- ❖ Marine Safety and Monitoring system 01/2026 - Present
 - Developing a marine safety system with iceberg detection and tracking the ship to improve navigation safety and prevent crossing restricted marine zones.
- ❖ Wearable vehicle horn detection and alert system for hard of hearing people 01/2026 - Present
 - Designing a wearable safety device that detects vehicle horn sounds and provides alert signals to assist hard-of-hearing pedestrians
- ❖ Smart Mattress Warmer (Embedded control System) 08/2025 - 11/2025
 - Developed a safe smart mattress warmer for MRI and healthcare use with controlled heating and electrical protection

Interests

- Embedded Systems
- VLSI
- IOT (Internet Of Things)
